DECISION AND ORDER

THIS CASE is before the undersigned Acting Regional Director of the Federal Labor Relations Authority (the Authority or FLRA) based on a Petition filed by the International Association of Machinists & Aerospace Workers, AFL-CIO, (the Petitioner or the Union) pursuant to Section 7111(b)(2) of the Federal Service Labor-Management Relations Statute (the Statute) and Section 2422.5 of the Authority's Rules and Regulations (the Regulations). Pursuant to the provisions of Section 7105(e)(1) of the Statute, the Authority has delegated its powers in connection with the subject case to me.

Upon careful consideration of the entire record of this case, pursuant to Section 2422.30 of the Regulations, I make the following findings:

I. BACKGROUND AND STATEMENT OF THE CASE

On September 26, 2008, in Case No. AT-RP-07-0038, Petitioner was granted exclusive recognition for the following unit of employees of the U.S. Department of the Interior, National Park Service, Gulf Island National Seashore, Gulf Breeze, Florida (the Agency):¹

¹ The Petitioner and the Agency entered into a joint Stipulation of Facts, dated August 20, 2010. Citations to specific parts of the Stipulation of Facts will appear parenthetically throughout this Decision and Order as "Joint Stip.," followed by the relevant paragraph number.

INCLUDED: All non-professional employees of the Gulf Island National Seashore, National Park Service, United States Department of the Interior, Gulf Breeze, Florida.

EXCLUDED: All management officials, professionals, supervisors and other employees described in 5 U.S.C. § 7116(b)(2), (3), (4), (6) & (7).

(Joint Stip., ¶3).

On May 13, 2010, the Union filed a Petition with the Acting Regional Director of the Atlanta Region of the FLRA seeking to amend the certification currently held by the Petitioner to reflect a change in the name of the Petitioner from International Association of Machinists & Aerospace Workers, AFL-CIO, to National Federation of Federal Employees, Federal District 1, International Association of Machinists & Aerospace Workers, AFL-CIO. (Joint Stip., ¶4).

II. FACTS

The Petitioner is a labor organization under Section 7103(a)(4) of the Statute. (Joint Stip., ¶1). The Agency is an agency within the meaning of Section 7103(a)(3) of the Statute. (Joint Stip., ¶2). The Parties agree that the proposed name change would not affect the mission, the employees in the certified unit or the continued appropriateness of the existing unit, or the representation of the employees in the unit. (Joint Stip., ¶5). Rather, the name change would merely amend the certification described above to conform the certification to a nominal or technical change in the name of the Union. (*Id.*). The Union has been the exclusive representative of the bargaining unit prior to the proposed amendment and would continue to be after the amendment of the certification. (*Id.*).

III. ANALYSIS

Section 7111(b)(2) of the Statute provides for the filing of petitions to clarify or amend certifications in existence. Petitions of this nature are intended to accommodate nominal or technical changes of any agency or exclusive representative. *See Dep't of Def., Office of Dependents Educ.*, 15 FLRA 493 (1984). The parties agree, and I so find, that it is appropriate to amend the certification to change the name of the Union from International Association of Machinists & Aerospace Workers, AFL-CIO, to National Federation of Federal Employees, Federal District 1, International Association of Machinists & Aerospace Workers, AFL-CIO. The parties assert, and I so find, that the change will not affect the mission, the employees in the certified unit, or the continued appropriateness of the existing unit.

In view of the foregoing, I find that there is no evidence that granting the proposed amendment would alter the appropriateness of the existing unit including the

character and scope of the unit and the representation of the employees in the unit. Rather, the amendment would serve only to conform the certification to reflect a nominal or technical change in the name of the Union. Therefore, I conclude that the certification granted to the Petitioner in Case No. AT-RP-07-0038 may be amended as requested. See *Dep't of Energy, Bonneville Power Admin., Portland, Or.*, 2 FLRA 654 (1980).

IV. ORDER

The parties have waived their right to file an application for review pursuant to Sections 2422.30(d) and 2422.31 of the Regulations. (Joint Stip., ¶7). Having found that it is appropriate to amend the existing certification held by the Petitioner as the exclusive representative, I attach to this Decision and Order an **Amended Certification of Representation** that will reflect a change of the name of the Union as follows:

FROM: International Association of Machinists & Aerospace Workers, AFL-CIO

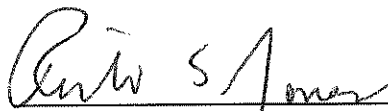

TO: National Federation of Federal Employees, Federal District 1,
International Association of Machinists & Aerospace Workers, AFL-CIO.

The unit description will not change and continue to read:

INCLUDED: All non-professional employees of the Gulf Island National Seashore, National Park Service, United States Department of the Interior, Gulf Breeze, Florida.

EXCLUDED: All management officials, professionals, supervisors and other employees described in 5 U.S.C. § 7116(b)(2), (3), (4), (6) & (7).

DATED at Atlanta, Georgia this 9th day of September, 2010.

AMENDMENT OF CERTIFICATION

Pursuant to section 7111 of the Federal Service Labor-Management Relations Statute (the Statute), 5 U.S.C. § 7111, and Sections 2422.1 and 2422.5 of the Regulations of the Federal Labor Relations Authority, 5 C.F.R. §§ 2422.1 and 2422.5, a petition was filed jointly by the U.S. Department of the Interior, National Park Service, Washington, D.C., (the Agency or the National Park Service) and the American Federation of Government Employees, AFL-CIO (the Union or AFGE) (collectively referred to as the Joint Petitioners). The Joint Petitioners sought to amend the certification granted to AFGE in 1991 in Case No. 12-RO-10010. The Joint Petitioners seek to change the unit description as follows:

From:

All non-professional employees of the U.S. Department of the Interior, Virgin Islands National Park, including those National Park Service employees stationed in St. Croix and temporary employees with appointments of 90 days or more, and excluding all professional employees; management officials; supervisors; and employees defined in 5 U.S.C. 7112 (b)(2), (3), (4), (6) and (7).

To:

INCLUDED: All non-professional employees of the U.S. Department of the Interior, National Park Service, U.S. Virgin Islands, including temporary employees with appointments of 90 days or more.

EXCLUDED: Professional employees; management officials; supervisors; and employees defined in 5 U.S.C. 7112 (b)(2), (3), (4), (6) and (7).

Today, I issued a Decision and Order finding that the certification may be amended as requested. The parties have waived their right to file an application for review with the Authority.

I ORDER that the certification granted to the American Federation of Government Employees, AFL-CIO, in 1991 in Case No. 12-RO-10010 be amended from:

All non-professional employees of the U.S. Department of the Interior, Virgin Islands National Park, including those National Park Service employees stationed in St. Croix and temporary employees with appointments of 90 days or more, and excluding all professional employees; management officials; supervisors; and employees defined in 5 U.S.C. 7112 (b)(2), (3), (4), (6) and (7).

So that the unit description will now read:

INCLUDED: All non-professional employees of the U.S. Department of the Interior, National Park Service, U.S. Virgin Islands, including temporary employees with appointments of 90 days or more.

EXCLUDED: Professional employees; management officials; supervisors; and employees defined in 5 U.S.C. 7112 (b)(2), (3), (4), (6) and (7).
